

To whom it may concern,

Regarding LPFM stations to take priority over current FM translator services would be an injustice. I and my children am faithful listeners of K-LOVE 104.3. We receive current updates from our community and I find out what issues I need to be aware of. K-LOVE is essential for my family as well as all the other listeners in our area. I have absolutely no qualms of allowing my children to listen whenever and where ever they want. If K-LOVE were to be displaced by an LPFM broadcaster I would not have that same sense of peace. Currently there are too many adult-only stations and not enough family-friendly. Listening to K-LOVE on the road helps me and my children to be more calm and relaxed. At home, it encourages all of the attributes I want my children to have. Please do not take these stations away.

Thank you for your time and consideration.
